Robert McDougall (31) Family of Allen County Indiana  
and the Extended Families of Auburn Indiana and  
to the Present Time

31 McDougall, Robert b. in 1840 in Ohio. Robert was two years old when he came with his parents and family of ten brothers and sisters to Allen County Indiana. A very early map of Allen County shows the school house ground just north and west in the center of Section 32, The McDougall Quarter section 33 SW starts just east of Maples, see map. Further research will probably reveal that Robert and others of this family attended school here. Robert is ten years old and still living with his mother Rachael and five brothers and sisters in the home close to Maples in the year 1850. The Federal 1860 Census for Allen County Indiana:

July 19 1866 Robert McDougall, age 26, marries Sarah J. Bumpus, age 21, by S. B. Ward, minister, in the Village of Auburn, Dekalb County, Indiana. 1866-1867 Directory of Fort Wayne, Indiana lists R. Dear Brother

I received your  
!C. & dr all right - and have  
got the money on it.

I am sorry to hear  
that Jas Harper is in such a  
bad fix and more so to hear  
that you will be likely to  
look on him. If I was you  
I would try to get some of his  
notes to make you safe.

There is a Hatter here who  
owes him seventeen dollars  
but I guess he will not pay  
it til he has to. I was afraid  
when I heard he had sold out  
that he had to do so, but I think  
he will have some money left  
if he has a mind to go down for

it, as that is the way most  
of them do it now days.

Though I dont know as  
him would do it, I would  
think he would pay you  
if he could.

I suppose you have  
heard of the death of Uncle  
John W. Hall which happened  
about six weeks ago.

I heard of it from John  
Paul who is at Garrett.

John Paul has built  
a Hotel at Garrett and lives  
there at his hotel he has a  
man keeping it for him  
as he is a widower.

He has been to our house  
several times while he was  
building there and we got  
quite well acquainted with  
him and like him first-rate.

He talks of building  
more there in the spring  
and I guess he is pretty well  
do so. He had this  
Nephew and his wife there  
running the house for him  
but the woman could not  
get along with the business  
to suit all around so they  
dissolved partnerships.

I have found a man  
here who was well acquaint-  
ed with James Gillis and  
the boys. James died last  
fall. One of the boys is  
a noted painter and lives  
in Bucyrus O. and one  
is on the Pittsburgh road  
as Mail Agent, or was at  
last accounts. James Gillis  
Junior painted some window  
blinds for signs in town.

here and it was on them I  
first saw his name.  
by inquiry found that it  
was a son of James Gillis  
south of Bucyrus.  
John Paul seems  
to be one of our family  
and is a man of some  
standing and is well liked  
wherever he goes.

Now don't neglect  
to write to me if I want  
to hear how times are  
with the folks all are

Yours Ever

Robt McDougall

Folks are moderating  
well.

That I am through the subordinate  
into the camp.
